🎶🌟 Blind People Orchestra

A Music of Hope & Harmony! 🌟🎶

We were honored to host a Blind People Orchestra on February 1, 2025, at our school campus, bringing together the magic of music and the power of inclusion! 🖤🎶💡 This event was organized as a charity initiative, and it was truly inspiring to witness these talented musicians perform with such passion and dedication. Their music spoke louder than words, proving that true talent knows no barriers! 🎵👏

INTERSCHOOL SILAMBAM COMPETITION

🥋 1st Feb 2025 🏆

We successfully organized an Interschool Karate Competition on 1st February 2025, and it was an incredible event! 🌟 Young martial artists from various schools showcased their skills, discipline, and determination, making it a thrilling and inspiring experience for everyone. From powerful Kata performances to intense Kumite battles, the competition truly brought out the best in every participant. Congratulations to all the winners and a big shoutout to every student who gave their best on the mat! 🥊👏

CODEAVOUR COMPETITION

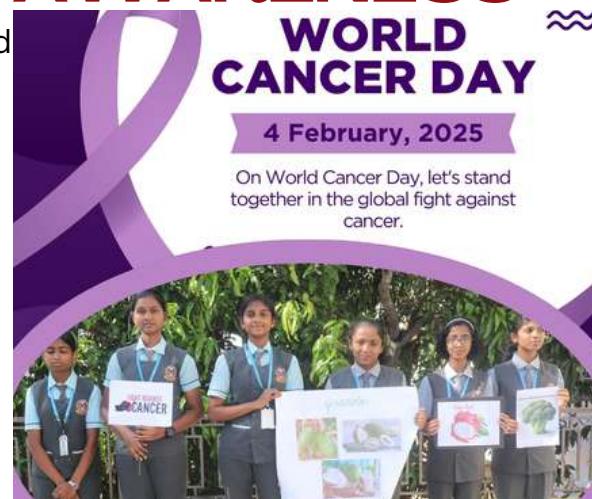

On February 1, 2025, 26 students from our school showcased their exceptional coding and robotics skills at the Codeavour 6.0 Competition held at Christ Public School, Trivandrum. This prestigious event not only focused on coding but also featured exciting competitions such as Robo Race, Robo Soccer, and the Water Rocket Challenge.

Our students demonstrated remarkable talent and perseverance, bringing home notable achievements. Aravind and Akilesh from Grade 8 secured First Prize in the Water Rocket Competition. Additionally, we are incredibly proud of Neeja Arul Dhas from Grade XI, who was honored with the prestigious "Woman in STEM" Award, recognizing her outstanding contributions and excellence in science, technology, engineering, and mathematics.

WORLD CANCER DAY - AWARENESS

4th Feb 2025, on World Cancer Day, we took a moment to stand together in solidarity. We observed one minute of prayer, sending thoughts of strength, peace, and hope to all those affected by cancer—patients, families, healthcare providers, and researchers. ❤️ In that one minute, we reminded ourselves that the fight against cancer is not just about the disease, but about people—our loved ones, our communities, and the future we're striving toward. Let's continue to raise awareness, support each other, and keep pushing for a world without cancer. 💪 Every step, no matter how small, matters.

HOLY MASS For Board Exam Students

⭐ Special Holy Mass & Hall Ticket Distribution for Grade 10 & 12 Students ⭐

🙏 We organized a Holy Mass for our Grade 10 & 12 students, seeking blessings for their upcoming exams. It was a moment of peace, reflection, and divine guidance as they prepared for this important phase of their academic journey.

📋 After the Mass, hall tickets were distributed, marking the final step toward their exams.

ITALIAN VISIT

⭐ A Special Visit by Italian! ⭐

We were delighted to welcome Mr. W. Italian to our school! His visit was truly special, as he took the time to interact with our students, share his experiences, and inspire them with his warmth and wisdom. ⭐ The students enjoyed the lively exchange and were excited to learn about different cultures and perspectives. Moments like these help broaden young minds and create beautiful memories! 🌎...

STEAM EXPO 2025 – STUDENT EXHIBITION

JUL
17

HELD ON 15 FEBRUARY 2025

Our school proudly hosted the STEAM EXPO 2025, a spectacular Student Exhibition that INNOVEX STEM EXPO 2025. The Innovex STEM Expo 2025 was successfully conducted on 15th February 2025, showcasing a diverse range of innovative projects and competitions. The event was graced by Rev. Fr. Godwin Selva Justus, Correspondent of St. Xavier's Catholic College of Engineering, as the esteemed Chief Guest. Students actively participated in both hardware and software projects, displaying their creativity, technical skills, and problem-solving abilities. The expo provided a platform for young innovators to explore, experiment, and present their groundbreaking ideas in the field of science, technology, engineering, and mathematics (STEM). Alongside the project exhibition, several thrilling competitions were held, including Robo Soccer, where teams designed and programmed robots to play soccer, Robo Race, a high-speed challenge testing autonomous navigation, Pick and Place Robo, which focused on robotic precision in object manipulation, Water Rocket, a physics-based challenge to launch water-propelled rockets for maximum height and distance, and Quarky Maze Solver, where robots autonomously navigated a complex maze. From brilliant science experiments and tech innovations to artistic masterpieces and engineering marvels, our students wowed everyone with their incredible projects and presentations. It was a true display of talent, teamwork, and 21st-century learning.

A huge round of applause to all the young minds who participated, and heartfelt thanks to our dedicated teachers and supportive parents! 🙌💡
