Career Guidance Program – Study and Work Opportunities in Germany

Today, our school organized an inspiring Career Guidance Program focused on higher education and job opportunities in Germany after 12th grade. The session provided valuable information about the admission process, available courses, and how students can pursue studies in Germany while also earning a salary during their education.

Students gained insights into scholarships, work-study options, and career prospects in Germany, helping them plan a bright future with global opportunities.

We express our gratitude to the resource person Mr. Maria Anto (Jayam Educational Consultancy) for their valuable guidance and for motivating our students to aim high.
